

VANDAL-RESISTANT SPEAKER

MODEL VRS2

DESCRIPTION

The Bogen VRS2 is a wall-mountable, vandal-resistant speaker designed for use with Bogen Multicom and Multi-Graphic communication systems. It consists of an 8-ohm loudspeaker and 25V transformer (tapped at 1/2 watt) mounted to a heavy-gauge stainless steel plate. The call-in switch can be wired to provide either momentary or latching operation. The plate may be mounted to a 2-1/2" deep Gang Box (4-1/2"W x 6-13/16"H), such as Steel City (H2BD-3/4 & 1), with one-way security screws.

INSTALLATION

Connect the speaker to the sound system using shielded conductors. Refer to the appropriate system installation instructions to terminate the cable at the system control center.
