DCP-150C

The DCP-150C combines colour printing, copying and scanning in one compact, stylish machine. It is designed with ease of use in mind, yet deliver great performance to the user.

With fast print speeds of up to 27ppm for black and white prints and 22ppm for colour, you never have to wait too long for your prints. DCP-150C comes with a flatbed design for you to copy bound documents quickly and easily. Printing your digital images has never been simpler too. The PhotoCapture Centre™ lets you print borderless photos directly from your camera's memory cards – you don't even need a PC! You can also print using the PictBridge interface, or you can print directly from, and scan to, a USB Flash Memory Drive* using the host USB connection.

With the DCP-150C you'll have more fun with your photos! With the Face Filter software, you can adjust skin tones, remove skin blemishes and red eye effect. You can even change facial expressions!

All Brother colour inkjet multifunction products come complete with individual fade-resistant colour ink cartridges so colours can be replaced separately – which ultimately saves you money.

For more information regarding Systems Requirements, please visit <http://solutions.brother.com>

- ¹ Based on 80gsm paper
 - ² Draft mode printing at 600 x 150dpi
 - ³ When used with Brother BP61 Photo Paper - See Consumables Section
 - ⁴ Due to the restrictions of OS or applications, scanning at or above 19,200 x 19,200dpi may not support all sizes of documents or images.
- ⁵ Pages are based on normal mode at 5% coverage on A4 / Letter for ink cartridges.
The supplied ink will be lesser due to initial purging.
- ⁶ Supports up to 8GB USB Flash Drive. Brother does not guarantee the compatibility of all brands of USB Flash Drive

Brother strongly recommends the use of Genuine Brother consumable products only. Benefits include better quality prints; greater yields per consumable; protection of your machine from damages and achievements of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine Brother consumables.
