Brother DCP-340CW

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Network ready
- Scan & Translate

Translations powered by

SYSTRAN
Language Translation Technologies

- Wireless LAN (802.11 g/b)
- Up to 6,000 dpi print resolution
- Up to 100 sheet paper capacity
- Up to 10 sheet automatic document feeder
- PhotoCapture Centre™ compatible with the most popular media cards

The DCP-340CW offers high quality colour printing, copying and scanning features across your wired or wireless network. This all-in-one brings your digital photos to life, providing realistic colour borderless prints on a variety of media sizes.

High quality colour copying has never been easier. The DCP-340CW comes with both a flatbed and an automatic document feeder, enabling you to copy from a variety of documents.

Brother provides you with a full range of colour scanning features, giving you complete versatility across your network of users. You can even Scan & Translate foreign language documents using Brother's scanning software in conjunction with SYSTRAN® WebTranslator 5.0 language translation software.

Compatible with the most popular media cards, the PhotoCapture Centre™ enables you to print photos direct from your media card, or transfer them to your PC for editing. This feature can also be used as an additional drive, enabling you to transfer digital photos and other documents on your media card to and from your PC or Mac safely and effectively.

All Brother colour multi-function products come complete with full yield individual ink cartridges, so colours can be replaced separately.
