Network Ready Compact Colour Inkjet Multifunction Printer with 3.3" Wide Colour LCD

Do More with the DCP-395CN with print, copy and scan capabilities combined into one easy to use machine with 3.3" LCD screen and wired network.

PRINT **COPY** **SCAN** **MEDIA CARD CENTRE**

- Fast: Up to 33ppm mono and 27ppm colour print speed
- Produce high quality, professional colour documents with 6,000dpi and 1.5 picolitre (pl) ink droplet size
- Easy to use with the 3.3" wide LCD screen and photo enhance technology
- Share with multiple users across your existing wired network
- Four separate ink cartridges enable you to reduce waste and your costs, by only replacing the colour which runs out

Do More

DCP-395CN Network Ready Compact Colour Inkjet Multifunction Printer with 3.3" Wide Colour LCD.

Do More with the DCP-395CN which combines print, copy and scan capabilities into one easy to use machine with 3.3" wide colour LCD screen and wired network.

Share resources: Allow multiple users to print and copy with the DCP-395CN by connecting it to your existing wired network.

Easy to navigate: The 3.3" colour LCD screen makes the DCP-395CN very user-friendly, with the well structured menu appearing on the full colour display.

The DCP-395CN combines rapid print speeds of 33ppm mono and 27ppm colour with excellent print quality, enabling you to produce high quality, professional colour documents.

The DCP-395CN features a simple to use high quality flatbed scanner, enabling you to copy or scan even bound documents with professional results.

Packed with features, the DCP-395CN enables you to complete a multitude of tasks with just one stylish, compact machine. Features include scan to email, USB and media cards.

You can print from USB without even turning on your PC.

Print directly from your digital camera using the PictBridge interface. The DCP-395CN also includes a separate photo paper tray, so you can print professional quality photos with ease.

The DCP-395CN complies with the ENERGY STAR and the German Blue Angel environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design.

All Brother inkjet multifunctional machines use an individual ink cartridge system. This means you only have to replace the colour that runs out instead of having to discard an entire tri-colour cartridge - reducing waste, protecting the environment and saving you money.

To achieve the highest print quality and 100 years fade resistance* we recommend using original Brother LC1100 ink cartridges together with Brother BP71 Premium Plus photo paper.
