DCP-560CN
4-in-1 Networked Colour Inkjet Multi-Function Centre
Print • Copy • Scan • Direct Print

The DCP-560CN is a colour printer, copier and a scanner, all combined into one smart compact and stylish design. It is designed with ease of use in mind, yet delivers great performance to the user.

DCP-560CN is equipped with fast print speeds of up to 30ppm for black and white prints and 25pm for colour. Plus, it comes with a flatbed design for you to copy and scan bound documents quickly and easily.

Also your photo companion, DCP-560CN has a built-in full colour 2.0" LCD screen for you to view your photos when you insert your memory cards into the PhotoCapture Centre™ or your USB flash drive. You can simply print borderless photos directly from your camera's memory cards with the PhotoCapture Centre™. You don't even need a PC!

What's more, there's no need to load and reload different paper types as DCP-560CN offers the convenience of a dual purpose tray that has two compartments: one for your 4"x6" media and one for A4 media. The fun-filled Face Filter software that comes with the DCP-560CN allows you adjust skin tones, remove skin blemishes, remove red eye and even change facial expressions!

All Brother colour inkjet multifunction products come complete with individual fade-resistant colour ink cartridges so colours can be replaced separately – which ultimately saves you money.
