DCP-J515W Wireless Colour Inkjet Multifunction Printer with 8.2cm Colour LCD

Combining wireless network connectivity and an easy to navigate LCD display with Print, Scan and Copy capabilities the DCP-J515W allows you to Do More

The DCP-J515W enables you to produce professional quality documents in house with a 1.5 picolitre droplet size and up to 6,000dpi print resolution.

Print borderless photos directly from your memory cards in as little as 30 seconds without the need to turn on your PC with the DCP-J515W's Media Card Centre. Preview images prior to printing with the 8.2cm colour display.

Copy and scan bound documents on the DCP-J515W's flatbed scanner which allows you to scan email or to memory card, saving you time when completing your daily tasks.

Share resources by connecting the DCP-J515W to your existing wireless network using simple to use, secure software to ensure a quick and simple process.

All Brother inkjet multifunctional printers incorporate a four individual inks system meaning that you only replace the ink which runs out, reducing waste and saving you money. The LC985 inks also offer over 100 years light fastness*

The DCP-J515W complies with the strict ENERGY STAR and German Blue Angel environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design
