performance

In today's fast moving business environment the ability to print to a professional finish quickly and efficiently is essential. With a high quality 1200 x 600 dpi resolution combined with a print speed of 14 pages per minute, the Brother HL-1440 mono printer meets this challenge comfortably.

The standard memory of 2Mb expandable up to 34Mb and compatibility with an impressive range of computing environments, including Apple Mac, ensures an all-round quality performance. Combine all this with the extensive range of user-friendly features included on the HL-1440, and it's easy to see how this printer consistently outperforms its competitors.

The HL-1440 printer is quick and easy to install and includes the benefit of comprehensive, state of the art technical support with Windows interactive animations, giving a step by step guide to your new printer. Plus, for additional peace of mind, you can enjoy direct access to the Brother Solutions Centre web site.
