Brother MFC-215C

This compact, easy to use machine offers high performance colour printing, faxing, copying and scanning. It produces high quality colour prints quickly and easily. The MFC-215C allows you to send and receive both mono and colour faxes. A sizeable memory stores received or ready-to-transmit messages, whilst the speed dialing capability makes communication with your most regularly used numbers both quick and efficient.

This machine offers quality colour copying and scanning capabilities. A flatbed design enables you to copy from bound documents and the inclusion of all necessary scanning software provides you with access to a range of colour scanning features with complete flexibility. You can effortlessly translate documents from a wide variety of languages using Brother's scanning software in conjunction with Systran webtranslate.

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Colour faxing with up to 20 speed dials
- Scan & Translate

- Up to 6,000dpi print resolution
- Up to 100 sheet paper capacity
- 8MB Memory
- PhotoCapture Centre™. Compatible with the most popular media cards

Producing glossy, borderless colour photos has never been easier. The PhotoCapture Centre™ feature is compatible with the most popular media cards, for fast and easy photo printing. For added convenience, this feature also enables you to use your media card to save and retrieve both digital photos and other documents safely and effectively. All Brother colour multi-function products come complete with full yield

individual colour ink cartridges, so colours can be replaced separately.

Technical Specifications MFC-215C
