MFC-425CN

Colour Inkjet Flatbed 6-in-1 Network Ready Multi-Function Centre® with Built-in Digital Camera Card Reader and Automatic Document Feeder

- Colour Printer
- Colour Fax
- Colour Flatbed Digital Copier
- Colour Flatbed Scanner
- PC Fax
- Digital Camera Media Card Reader

The MFC-425CN from Brother.

The colour 6-in-1 Multi-Function Centre® solution with printing, faxing, copying, scanning, direct printing from digital camera media cards and PC faxing from a compact network ready unit.

10 page Automatic Document Feeder

80 Speed dials and a 400 page fax memory**

Flatbed Scanning at up to 19,200dpi interpolated resolution

MFC-425CN

- Colour Printer
- Colour Fax
- Colour Flatbed Digital Copier
- Colour Flatbed Scanner
- Digital Camera Media Card Reader
- PC Fax

This is a stylish, easy-to-use machine that will save you time and money.

With the built-in network card you are ready to connect to the other PCs and laptops around the home or office.

The space saving solution for home or office

With its sleek, stylish looks and hidden USB cable connection the MFC-425CN takes up little room yet still provides an outstanding range of features required by your business. A two-line LCD display simplifies every function to put you firmly in control from day one.

High quality network printing

No need to invest in a range of stand-alone printers, the MFC-425CN can network with all your PCs and laptops. Whether printing simple text or colour charts, impressive print speeds mean you won't be kept waiting. Sharp definition and borderless printing enable professional photo printing.

- Up to 1,200 x 6,000dpi interpolated print resolution
- Up to 20ppm mono print speed*
- Up to 15ppm colour print speed*

Professional fax facility

The flatbed format houses the very latest technology enabling bound documents to be faxed easily. With a sizeable memory vital fax information won't get lost and speed dialling will prove an invaluable time saver. Full network facility enables documents to be faxed from any connected PC or laptop.

- Up to 400 page memory**
- Automatic send from PC
- Up to 80 speed dials
- Network PC-Fax facility

Versatile colour copying has never been easier

A flatbed design with an adjustable hinge means that you can even make copies from bound documents of various sizes. With everything made simple, this function will make life easier and improve efficiency.

- Flatbed Design
- Up to 600 x 1,200dpi resolution
- Stand alone copying

Full colour scanning across the network

Pin sharp scanning quality is what you would expect from a Brother machine. What is remarkable here is that all the software you will need to give complete versatility right across a network of users is included in the package.

Everyone can easily scan to E-mail/OCR/Image/File/Card and it can be saved on any laptop or PC in the network.

- Flatbed Design
- Up to 19,200 x 19,200dpi interpolated resolution
- ScanSoft®, PaperPort® and OmniPage® OCR software included

*At 600x150 dpi
**ITU-T Test Chart

PhotoCapture Centre™ with built-in digital camera card readers

With digital photography becoming more and more popular, the MFC-425CN has all you need to enjoy the benefits of this new technology. Built-in media card readers allow digital camera memory cards to be read without a plug-in card reader or the inconvenience of using the software on your computer to download your pictures. You can study a complete selection of thumbnails before you make your print selection, saving time and expense. You can also save and retrieve files via your media card, making this an additional and convenient data transfer tool. Full networking capability allows all images to be saved or accessed from any network-connected computer. The MFC-425CN is compatible with six of the most popular media cards.

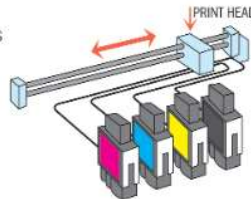

- CompactFlash™
- Memory Stick Pro™
- SmartMedia™
- Secure Digital™
- MemoryStick™
- xD Picture Card

Separate ink cartridges

All Brother colour Multi-Function Centres come complete with separate colour ink cartridges. Unlike some other colour multi-function products, when a single colour runs out you only replace that colour. Another feature from Brother that saves you time and money and is better for the environment.

Capillary Tube Printing Technology

Brother's revolutionary Capillary Tube Printing Technology provides ink from the MFC-425CN's four separate cartridges via tubes direct to the print head. This means that the cartridges do not need to be positioned on top of the print head allowing for a much lower profile machine. This results in smoother, quieter operation and ink cartridges that are quicker and easier to replace.

Environmentally Friendly Features

International Standards:

ISO 14001

As one of the Australia's leading Multi-Function Centre manufacturers, Brother takes its environmental responsibilities very seriously. Brother Multi-Function Centres® are ISO 14001 compliant meaning that they are manufactured in accordance to international environmental standards.

Energy Star

Additionally, Brother Multi-Function Centres® are Energy Star™ compliant and use less electricity making them extremely efficient to run.

Cartridge Recycling

Brother is a proud partner in the Planet Ark and Close the Loop Initiative to recycle used ink cartridges for zero waste. Another way Brother is working to preserve the environment for future generations.

Cost efficient separate ink cartridges

Technical Specification

General

Engine	Inkjet
LCD Display	2 lines x 16 characters
Illuminated Function Keys	Fax, Copy, Scan and PhotoCapture Centre function keys are illuminated for ease of use
Back-up for clock	Keeps time and date backed up for 1 hour
Memory Capacity	16MB standard
Paper handling size	A4, LTR, LGL, EJE, JISB5, A5, A6, Photo (102x152mm), Indexcard (127x203mm), Photo L (89x127mm), Photo2 L (127x178mm), Post Card 1 (100x148mm), Post Card 2 (Double)(148x200mm), C5 Envelope, Com-10, DL Envelope, Monarch, JE4 Envelope.
Media Type	Plain, Inkjet, Glossy, Transparency (64-220gsm)

Consumables

Supplied with separate standard yield Ink Cartridges	Black LC-47BK - 500 pages in normal mode @ 5% coverage Cyan LC-47C - 400 pages in normal mode @ 5% coverage Magenta LC-47M - 400 pages in normal mode @ 5% coverage Yellow LC-47Y - 400 pages in normal mode @ 5% coverage
Brother Paper	Glossy Paper BP-60GLA - 20 Sheets (190gsm) Glossy Paper 6" x 4" BP-60GLP - 20 Sheets (190gsm) Matte Paper BP-60MA - 25 Sheets (145gsm) Plain Paper BP-60PA - 250 Sheets (72.5gsm)

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables the benefits to you are:

- Better quality prints
- Greater yields per consumable
- Protect your machine from damages
- Achieve optimum performance.

Your machine warranty may not cover any damage arising from the use of non genuine Brother consumables.
