Brother MFC-640CW

- Print at up to 20ppm mono, 15ppm colour
- Borderless printing
- Colour faxing with up to 80 speed dial locations
- Scan & Translate

Translations powered by

SYSTRAN
Language Translation Technologies

- Up to 6,000dpi print resolution
- Network ready
- Wireless LAN (802.11 g/b)
- Up to 100 sheet paper capacity
- Up to 10 sheet automatic document feeder
- PhotoCapture Centre™ compatible with the most popular media cards

This all-in-one offers high quality colour printing, faxing, copying and scanning features, in addition to integrated wired and wireless networking. Whether you're printing simple text documents, complex colour charts or glossy borderless photos, the MFC-640CW guarantees professional results across a variety of media sizes.

The fax function enables you to send and receive both mono and colour faxes with compatible machines. The sizeable memory stores received or ready-to-transmit messages, whilst speed dialing makes communication with your most regularly used numbers both quick and efficient. The integrated telephone handset and answering machine complement these features to provide a complete communication solution.

The flatbed and automatic document feeder allows you to copy and scan from various document types. You can even Scan &
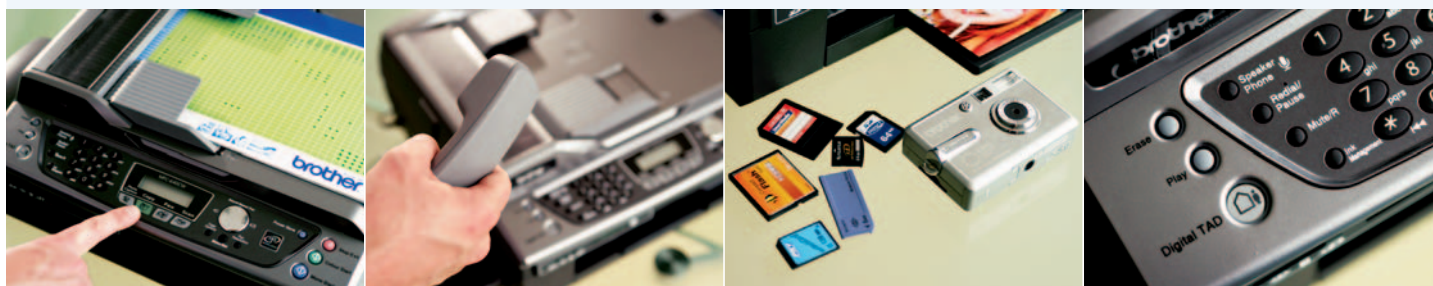

Translate foreign language documents using Brother's scanning software in conjunction with SYSTRAN® WebTranslator 5.0 language translation software.

Bring your digital photos to life using Brother's advanced PhotoCapture Centre™. Compatible with the most popular media cards, you can transfer digital photos and other documents on your media card to and from your PC or Mac safely and effectively.

All Brother colour multi-function products come complete with full yield individual ink cartridges, so colours can be replaced separately.

Technical Specifications MFC-640CW
