

MFC-J4510DW Business Smart™ Series Inkjet All-in-One

The Ultimate Combination of Features and Design

brother®
at your side

The Ultimate Combination!

The Brother™ Business Smart™ Series is big on features, small on size.

Choosing a color inkjet all-in-one used to be all about compromise. Fast print speed? Something compact to fit your workspace? Low-cost printing? Instead of settling for a bulky machine with a lot of features or a small machine with not enough capabilities, now you can have it all with the Brother Business Smart™ MFC-J4510dw.

Don't compromise. The Brother Business Smart™ MFC-J4510dw gives you the ultimate combination of speed, compact size and low-cost printing in a stylish, sleek design.

Landscape Print Technology: The New Direction In Printing

To create the new Business Smart™ Series, Brother redesigned the hardware, software and ink cartridges. This new design allowed us to introduce our innovative **Landscape Print Technology**, which stores and feeds paper in a landscape orientation.

Fully Integrated, Sleek Design.

Sleek, modern color inkjet all-in-one that not only fits on your desk, but looks great too. The Brother Business Smart™ MFC-J4510dw features an eye-pleasing design and absolutely no protruding parts when not in use.

Nobody Said You Can't Have It All.

Fastest Speed in its Class¹

With printing speeds up to 20ppm (black) / 18ppm (color)² you won't waste your valuable time waiting for printouts.

Smallest Footprint in its Class¹

Conserve workspace with a compact design that's up to 35% smaller footprint than bulky competing models¹. Plus there are no protruding parts when not in use.

Low Cost Printing

Super high yield (XXL Series) replacement ink cartridges help reduce your cost per page. Print up to 1,200 pages per cartridge³.

Intuitive TouchScreen Display

Easy-to-use Swipe – Tap – Drag 3.7" TouchScreen display. Intelligent TouchPanel only displays the keys you need.

Prints up to 11" x 17" pages

Innovative Landscape Print Technology lets you print on up to 11" x 17" paper (via bypass tray) from a machine roughly the same size as the page!

More Value-Added Features:

Print Wirelessly

Print over a WiFi connection from a PC or mobile device⁴. Compatible with AirPrint™, Brother™ iPrint&Scan, Google Cloud Print™, Cortado Workplace, and Wi-Fi Direct.

Duplex (2-sided) Printing

Print on both sides of a sheet of paper to help save paper, money and time. Less waste and less time replacing paper.

Automatic Document Feeder

Lets you feed up to 20 pages at a time. More convenient than single sheet scanning, copying and faxing.

Lifetime Free Phone Support

We stand behind our products 100% with a 2-year limited warranty and free technical support for the life of the product.

¹ Based on competing in-class inkjet models with an estimated street price under \$200. Competitive data gathered from manufacturer websites and third party industry sources (as of July 2012).

² PPM is based on printing in FAST mode and excludes printing of first page and will depend on a variety of factors. ISO print speed based on ISO/IEC 24734. See www.brother-usa.com/printspeed for details.

³ Approximate page yields in accordance with ISO/IEC 24711. For more information, see www.brother.com/pageyield. LC105/107 XXL Series inks require additional purchase.

⁴ Requires connection to a wireless network. See www.brother.com for details, availability, and mobile device compatibility.

MFC-J4510dw Business Smart™ Series Inkjet All-in-One

The MFC-J4510dw was completely redesigned with innovative Landscape Print Technology to create the Ultimate Combination of fast print speeds, a small footprint, and low cost printing. This inkjet all-in-one features an intuitive swipe – top – drag TouchScreen display for easy menu navigation. It also prints up to 11" x 17" documents via the bypass tray. Includes multiple wireless printing options. Built with a modern design, this sleek printer has no protruding parts when not in use.
