Do More

MFC-J615W Wireless Colour Inkjet Multifunction Printer with 8.2cm Colour LCD and Automatic Document Feeder.

The easy-to-use, feature packed MFC-J615W allows you to Do More: incorporating wireless network connectivity, Automatic Document Feeder (ADF) and an 8.2cm colour LCD display.

The MFC-J615W offers impressive print speeds of up to 35 mono and 28 colour pages per minute. The print resolution of up to 6,000dpi and minimum droplet size of 1.5 picolitre ensure professional quality results with each print.

Share your resources amongst several users across your existing wired or wireless network, with secure and easy to use software making connectivity fast and simple.

Scan, Copy or Fax multiple paged documents with ease via the Automatic Document Feeder (ADF) or copy bound documents on the flatbed, with shadow correction and auto skew adjustment for clear, easy to read copies.

Print directly from your digital camera via the PictBridge enabled USB port. You can also print from or scan to your memory card or USB flash drive without the need to turn on your PC.

The MFC-J615W complies with the ENERGY STAR and German Blue Angel environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design.

Brother inkjet multifunctional machines use an individual ink cartridge system, so you only have to replace the colour that runs out – to reduce waste and save you money. By returning your empty ink cartridges to Brother for recycling you can also help protect the Amazon rainforest as part of our partnership with Cool Earth. For more information go to www.coolearth.org/brother

To achieve the highest print quality and over 100 years fade resistance* we recommend using original Brother LC1100 ink cartridges together with Brother BP71 Premium Plus photo paper.

LC1100 Black Ink meets the rigorous ISO 11798 standard making your prints legally 'document proof', assuring you they'll be readable even after exposure to light, water, handling and storage when using settings for thicker media.
