in business communications**

LIMITED WARRANTY

Comdial Corporation (Comdial) warrants that under normal operating conditions, this Equipment (except for fuses, lamps, and other consumables) will be free from defects in material and workmanship for a period of twenty-four (24) months from the manufacturing date stamped on the Equipment. Comdial's sole obligation under this warranty or under any other legal obligation with respect to the Equipment is to repair or replace, at its option, the Equipment if it is deemed defective by Comdial during the warranty period free of charge with new or refurbished equipment or parts, at Comdial's option, when the Equipment is returned to Comdial, freight or postage prepaid, during the warranty period. This warranty does not apply if, in the sole judgement of Comdial, the Equipment has been installed or used in combination or in assembly with products not supplied by Comdial and which are not compatible or inferior quality, design or performance, or the Equipment has been otherwise misused, abused, accidentally damaged, or damaged or malfunctions or fails to function as a result of acts of God such as fire, flood, or lightning or other incidence of excessive or insufficient voltage or failure to follow instructions. Repair or alteration of this Equipment other than as specifically authorized by Comdial or its authorized repair agent is prohibited and will void this warranty. This warranty does not cover costs associated with installation, removal, or reinstallation of the Equipment. Comdial does not warrant that the Equipment is compatible with all telephone or switching systems. THIS WARRANTY IS EXCLUSIVE, BEING IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. WITHOUT EXPANDING UPON THE FOREGOING WARRANTY, THE MAXIMUM LIABILITY OF COMDIAL UNDER ANY WARRANTY, STATUTORY, EXPRESS OR IMPLIED, IS LIMITED TO THE PURCHASE PRICE OF THE EQUIPMENT. COMDIAL SHALL HAVE NO RESPONSIBILITY FOR DAMAGE TO PROPERTY OR ANY OTHER LOSS OR INJURY, INCLUDING CONSEQUENTIAL AND/OR INCIDENTAL DAMAGES, RESULTING FROM THE POSSESSION, OPERATION OR USE OF THE EQUIPMENT, ALL SUCH CLAIMS BEING HEREBY EXPRESSLY WAIVED. THE PURCHASER'S EXCLUSIVE WARRANTY AND REMEDY SHALL BE ONLY AS STATED HEREIN.

This warranty gives you specific legal rights and you may also have other rights which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

If the Magnuson-Moss Act should be held to apply to the sale of the Equipment by a court of competent jurisdiction, the implied warranty of fitness for a particular purpose shall extend for one year from the date of manufacture.

No Comdial dealer nor any other person or entity other than Comdial may extend or modify this warranty, and no such modification or extension shall be effective unless it is in writing.

Application Note: The operations covered in this user's guide reflect the latest KSU software revisions. When using this User's Guide to operate a station connected to a KSU with an earlier software release, there may be conflicting feature operations. Contact your equipment supplier for additional information.

This manual has been developed by Comdial Corporation (the "Company") and is intended for the use of its customers and service personnel. The information in this manual is subject to change without notice. While every effort has been made to eliminate errors, the Company disclaims liability for any difficulties arising from the interpretation of the information contained herein.

The information contained herein does not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation, or maintenance. Should further information be desired, or should particular problems arise which are not covered sufficiently for the purchaser's purposes, contact Comdial, Customer Service Department, P.O. Box 7266, Charlottesville, VA 22906.

▼ **ALL-CALL AND ZONE PAGING**

To page,

- Lift handset. Listen for dial tone.
- Dial zone number - (**53**, **52**, **51**, or **50** for all-call).
- Make announcement. Hang up handset or wait on line for an answer.

To answer from any station,

- Lift handset.
- Dial **44**. Meet paging party on line.

▼ **PULSE/TONE SWITCHING**

If your telephone service is pulse (rotary) and you must convert to tone while dialing,

- Press **#** (System will switch back to pulse dialing when call is terminated).

NOTE: Pulse/Tone switching can be programmed into a speed dial number if desired.

▼ **MESSAGE WAITING** (*The MW-message waiting-light is controlled only by designated stations or one central message desk*)

To receive messages,

- Lift handset. Listen for dial tone.
- Press **HOLD**. Connection to message desk is automatic.

▼ **CALL PICKUP**

To answer a call that you hear ringing at another station,

- Lift handset.
- Dial **49**.
- Dial number of ringing station.

▼ **CALL FORWARD**

To forward your calls to another station,

- Lift handset. Listen for dial tone.
- Dial **54**.
- Dial number of station to which calls are to be forwarded.

To cancel call forward,

- Lift handset. Listen for dial tone.
- Dial **55**.

NOTE: For each call received during call forward, a ring reminder (short tone burst) will be heard.

▼ **AUTOMATIC CALL-BACK**

To arrange for the system to call back when a busy station becomes idle,

- Make intercom call. Hear busy signal.
- Dial **88**.
- Hang up (Calling station will ring. Call-back is cancelled if handset is not lifted).

To answer call-back ring,

- Lift handset (Called station will ring. Call-back is cancelled if handset is not lifted).

To cancel automatic call back,

- Lift handset. Listen for dial tone.
- Dial **87**.
- Hang up.

▼ **CALL MESSAGING** (*Calling station must be programmed for DSS/BLF at called station*),

- Make intercom call. Hear busy signal or ring-back tone.
- Dial **86** (BLF light at called station will flutter).
- Hang up.

To cancel a call message signal

- Lift handset.
- Dial **43**.
- Dial number of station to which the call message was sent.

▼ **LINE QUEUING**

To queue for a busy outside line,

- Lift handset. Listen for dial tone.
- Dial trunk group access code (**9, 82, 83, or 84**).
- Dial **88**.
- Hang up.

To answer line queuing ring-back,

- Lift handset. Hear dial tone.

To cancel queuing,

- Lift handset. Hear dial tone.
- Dial **87**.
- Hang up.

▼ **EXECUTIVE OVERRIDE** (*Only available at certain stations*)

To break into conversation at another station,

- Make intercom call. Hear busy tone.
- Dial **77** (Warning tone sounded at called stations).
- Join in-progress call. A three-way conference now exists. Any one of the parties can leave the conference without dropping the connection to the other two.

▼ **CALL PARK**

To park a call for pick-up at another station,

- Press **HOLD** (call is placed on exclusive hold).
- Press and release hookswitch or press **TAP** if provided.
- Dial orbit access number (**61, 62, 63**, or **64**). If chosen orbit is busy, dial alternative orbit number.
- Hang up handset.
- Announce call and orbit number if necessary.

To retrieve a parked call,

- If call is not retrieved within two minutes, it reverts to the parking station as a standard held call.
- Hear announcement.
- Pick-up handset.
- Dial orbit retrieval number (**71, 72, 73**, or **74**).
- Answer call.

▼ **RECALL/FLASH**

If your system has been configured for flash,

- Press **TAP** to generate a timed flash signal for accessing PBX, Centrex and custom calling services.

If your system has been configured for recall,

- Press **RECALL** to disconnect as if you had hung up to obtain a new dial tone for another call.

NOTE: System can be configured for flash or recall but not for both.

▼ **CALL WAITING TONE (with camp-on)**

To send a call waiting tone to a busy station and wait on line for an answer (camp-on),

- Place intercom call. Hear busy tone.
- Dial **89** (called party hears tone).
- When called station becomes available, ringing will begin at called station.

To answer a call waiting tone,

- Hear tone. (short tone burst in handset receiver).
- Complete present call and hang-up (camped-on call will begin ringing).
- Lift handset.
