# HP Color LaserJet Enterprise M553 series

A fast and energy-efficient printer that delivers vibrant, professional-quality color documents.

Speed and color are the perfect pair for your business. That's why this energy-efficient printer and Original HP Toner cartridges with JetIntelligence combine to produce vibrant, professional-quality documents right when employees need them.

HP Color LaserJet Enterprise M553n

HP Color LaserJet Enterprise M553dn

HP Color LaserJet Enterprise M553x

# High-speed performance meets energy efficiency

- Print from sleep mode in as fast as 9 seconds. <sup>2</sup> Get two-sided prints as quickly as one up to 40 ipm.<sup>3</sup>
- This printer uses exceptionally low amounts of energy—thanks to smart media-sensing and toner technology.<sup>4</sup>
- Equip employees to breeze through tasks with the adjustable 4.3-inch (10.9 cm) color
- Consistently print high-quality documents across a variety of media—including A5—with automatic media sensing.

# Your fleet—simple, protected, streamlined

- Centralize control of your print environment with HP Web Jetadmin<sup>6</sup>—and help build business efficiency.
- Protect sensitive data—use embedded or optional features, including HP JetAdvantage Security Solutions.<sup>5</sup>
- Easily develop, deploy, and add on HP and third-party solutions. Choose the optional 1 GB memory upgrade.<sup>7</sup>

## Print whenever business demands

- Enable wireless direct printing in the office—from mobile devices—without accessing the network.9
- Print with just a touch of your NFC-enabled mobile device to this printer—no network
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.1

# More. Pages, Performance, and Protection.

- Original HP Toner cartridges with JetIntelligence deliver more pages per cartridge than predecessors. 11
- Count on professional quality at fast speeds—HP ColorSphere 3 toner works best with your HP printer.
- Help ensure the authentic HP quality you paid for with anti-fraud and cartridge authentication technology.
- Print right away with preinstalled cartridges. Replace them with optional high-yield cartridges. 12

and 44 pages per minute (ppm) as of November 2014. Actual results may vary.

5 Some solutions require download or additional purchase. Learn more at http://www.hp.com/go/printingsolutions.

6 Universal device plug-in is offered with HP Web Jetadmin 10.3 SR4 and higher. HP Web Jetadmin is free and available for download at http://www.hp.com/go/webjetadmin.

<sup>1</sup> Local printing requires mobile device and printer be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See http://www.hp.com/go/mobileprinting for more details.

<sup>&</sup>lt;sup>2</sup> Measured using ISO/IEC 17629. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

<sup>3</sup> Measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, of tweether application, software a

driver, and document complexity.

4 Based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method or as reported in energystar.gov vs. competitive single-function color laser printers with print speeds between 31

<sup>7</sup> Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase.
9 Feature available on the HP Laser Jet Enterprise M553x only. Mobile device needs to be connected directly to the WiFi network of a wireless direct—capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the MFP or printer. For details, see http://www.hp.com/go/mobileprinting

10 Feature available on the HP LaserJet Enterprise M553x only. Mobile device must support near-field communications (NFC)—enabled printing. For more information, see http://www.hp.com/go/mobileprinting

11 Based on cartridge yields for HP 507A compared with HP 508X Original HP LaserJet Toner Cartridges. For more information, see http://www.hp.com/go/learnaboutsupplies

High-yield Original HP 508X LaserJet Toner cartridge with a book original HP 508X LaserJet Toner cartridge on tincluded; please purchase separately.

An FCC Class A emissions compliant device meets the less stringent (higher) levels of emissions allowed by the FCC for a product operation in a commercial environment. An FCC class A device cannot be marketed for use in a residential environment and an FCC class A device should not be purchased for use in a residential environment due to the increased risk of interference to radio communications

## Product walkaround

- 1. Intuitive 4.3-inch (10.9 cm) color VGA control panel tilts up for easier viewing (Available on X bundle only)
- 2. Home button (returns to home screen)
- 3. Hardware Integration Pocket (HIP) for solution integration
- 4. Easy-access USB port to print files directly 14
- 5. Right door (access to the fuser and to clear jams)
- 6. Convenient front on/off switch
- 7. 100-sheet multipurpose tray
- 8. Front door access to Original HP Toner cartridges with JetIntelligence
- 9. Lower-right door (access to clear jams)
- 10. Two 550-sheet input trays for a 1,200 sheet total input capacity
- 11. 250-sheet output bin
- 12. Built-in wireless direct<sup>9</sup> /NFC<sup>10</sup>
- 13. Built-in automatic two-sided printing
- 14. 1 GB standard memory (upgradeable to 2 GB) and a 1.2 GHz processor
- 15. Access port for optional Kensington-style lock
- 16. HP Jetdirect Gigabit Ethernet embedded print server
- 17. Hi-Speed USB 2.0 printing port
- 18. Hi-Speed USB 2.0 port (for connecting third-party devices)

<sup>&</sup>lt;sup>9</sup> Wireless direct printing is standard on the HP Laser Jet Enterprise M553x only. Requires purchase of optional module, available fall 2015, for the Laser Jet Enterprise M553n and M553dn. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the MFP or printer. For details, see http://www.hp.com/go/businessmobileprinting

10 Touch-to-print capability is standard on the HP Laser Jet Enterprise M553x only. Requires purchase of optional HP Jetdierict 3000w NFC/wireless accessory, available fall 2015, for the Laser Jet Enterprise M553n and M553dn. Mobile device must support near-field communications (NFC)—enabled printing. For more information, see http://www.hp.com/go/mobileprinting

#### **HP Services**

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.

For carepack availability visit: hp.com/go/cpc:

# Top features

With the fast pace of business, there's no time to stop and wait. Ensure workgroups have tools to move business forward. This efficient printer is designed to conserve energy without sacrificing productivity—so employees can speed through tasks.

Workgroup needs are wide-ranging. Keep them all covered effortlessly, with a full suite of advanced and innovative HP JetAdvantage solutions<sup>5</sup> that simplify fleet management and help make printing secure.

Business is mobile, and so is your workforce. Help them print the documents they need on the move—whether they're headed to the office or to a meeting—with easy printing from a range of mobile devices, <sup>1</sup> enhanced by HP JetAdvantage solutions.

Bring out the best in your printer—get more high-quality pages than ever. Use Original HP Toner cartridges with JetIntelligence for better performance, higher energy efficiency, and the authentic HP quality you paid for -unlike the competition.<sup>1</sup>

<sup>&</sup>lt;sup>2</sup> Power requirements are based on the country/region where the printer is sold. Do not convert operating voltrages; this will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on customer network switch capability, user configuration and network activity. Off-mode power may vary while checking network packets for print jobs.

<sup>&</sup>lt;sup>3</sup> Average color composite (C/M/Y) and black declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see http://www.hp.com/go/learnaboutsupplies

<sup>5</sup> Acoustic values are subject to change. For current information see http://www.hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 38 ppm.

<sup>&</sup>lt;sup>6</sup> Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

Measured using ISO/IEC 17629. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

<sup>&</sup>lt;sup>8</sup> Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

<sup>&</sup>lt;sup>9</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

10 HP SureSupply alerts you when your print cartridge is running low and helps you purchase online or locally through HP or a participating retailer. Only available with Original HP supplies; Internet access required. To learn more,

visit http://www.hp.com/go/SureSupply.

11 Not all Compatible Operating Systems are supported with In-Box software. Full solution software available only for Windows 7 and newer. Legacy Windows Operation Systems (XP, Vista, and equivilant servers) get print and Scan drivers only. Windows RT OS for Tablets (32-bit and 64-bit) uses a simplified HP print driver built into the RT OS. UNIX modelscripts are available on http://www.hp.com (Modelscripts are printer drivers for UNIX operating

systems); Linux systems use in-OS HPLIP software.

14 Measured using ISO 24734 Feature Test, A5 Landscape Feed. Speed may vary based on content, PC, media orientation, and media type.
