

## hp LaserJet 3300 series

**data sheet**

HP LaserJet 3300 series printers streamline communications for small businesses and home offices by providing full-featured laser printing, copying, color scanning, digital sending (optional on LJ 3310)—plus optional faxing—all in a single device. Businesses gain affordable productivity and professionalism while eliminating the need for multiple machines.

### efficient

- space-maximizing solution—even the smallest office can enjoy high-quality, in-house printing, scanning, and copying without sacrificing valuable office space
- economical operation—laser-quality output and low cost-per-page helps businesses affordably project a professional image
- supports a productive workflow—efficient multitasking allows users to receive or send faxes, scan, or copy without waiting for other print jobs to finish
- the speed you need—for no-wait printing, an instant-on fuser delivers the first page in less than 10 seconds at engine speed of 15 pages-per-minute
- user-friendly—easy-to-use software and USB and parallel connections means the device is up-and-running within minutes

### versatile

- complete communication toolbox—meets both hard-copy and digital document needs in a single device
- flexible document handling—provides walk-up copying and color scanning using a flatbed document glass that fits a wide range of paper sizes and types
- meets high-usage demand—a duty cycle of 10,000 pages-per-month, plus optional features such as an automatic document feeder and a high-capacity HP print cartridge, keeps pace with the printing and copying needs of most small business and home office users
- premium quality—high-resolution, 1200-dpi laser print engine with true resolution enhancement technology creates crisp, clear, professional-looking documents

### hp reliable

- worry-free printing—easy setup, easy-to-handle supplies, and reassuring one-year warranty enable even businesses without large IT resources to print without a hitch
- minimal maintenance—multifunctional means fewer supplies to manage and support; further reduce your costs and maintenance requirements by adding an optional high-capacity replacement cartridge
- built to perform—designed with the same quality, dependability, and reliability of all HP printers

HP printing and imaging systems help you create powerful, professional communications easily. Printers, supplies, accessories, and services are designed to work together and meet your business needs.

# HP LaserJet 3300 series

## LaserJet 3300

- printer
- copier
- scanner (black and white/color)

## LaserJet 3310 (U.S. only)

- printer
- copier
- 50-page automatic document feeder (ADF)

## LaserJet 3320

- printer
  - copier
  - scanner (black and white/color)
  - 50-page ADF
- note: 3320n is network ready with included hp jetdirect 310x print server

## LaserJet 3330

- printer
- copier
- scanner (black and white/color)
- 50-page ADF
- fax (33.6 Kbps modem)

## technical specifications

### memory

32 MB memory (8 MB for the system, 24 MB for the user), expandable to 128 MB through one DIMM slot

### processor

66 MHz processor

### print specs

resolution: 1200 x 1200 dpi (True Resolution Enhancement Technology)  
speed: up to 15 pages-per-minute  
print margins: left/right margin: 0.23 in (6.0 mm); top/bottom margin: 0.20 in (5.08 mm)  
printer language: PCL 6, PCL 5e, PostScript Level 2 emulation (optional)

### copy specs (walk-up copying)

resolution: 600 x 600 dpi enhanced with edge detection technology  
speed: up to 14 copies-per-minute  
1-99 copies with automatic collation  
copy reduction and enlargement: 25% to 200%

### scanner specs (walk-up black and white/color scanning)

scanner compatibility: TWAIN 1.7  
resolution: 600 dpi  
ReadIris Pro OCR v6.0  
scan area: minimum size - 2 x 3.5 in (51 x 89 mm), maximum size - 8.5 x 35 in (216 x 991 mm)

### fax specs (LJ 3330 only)

storage: 220 pages  
resolution: standard, fine, superfine  
transmission speed: 3 seconds-per-page with 33.6 Kbps modem  
fax compatibility: Super G3 (IUT Group 3); ECM  
Quick dialing: up to 250 (base), 275 (se/m), speed dials 225 group numbers, 10 one-touch front panel keys

### paper handling

media sizes: Letter, Legal, no. 10 envelopes, Monarch envelopes and sizes 3 to 5 in to 8.5 x 14 in (76 x 127 mm to 216 x 356 mm)  
tray 1: 42 lb maximum; straight-through media path: 16 to 43 lb; output bin: 16 to 28 lb, 250-sheet media input tray, 10-sheet priority input tray, optional 50-sheet ADF media input tray, straight-through paper path; 30 envelopes: output capacity 125 sheets

### media types

Plain (plain, LaserJet), envelopes (no. 10, Monarch), transparencies, labels, cardstock, custom media

### font capabilities

45 TrueType, 35 PostScript

### I/O ports

1 parallel, 1 USB  
IEEE 1284-B parallel connectivity, USB 2.0

### operating systems supported

Microsoft® Windows® 95, 98, NT® 4.0, 2000, Me, XP, Mac® OS 9.1 (or higher), and OS X

### network compatibility

3320n bundled with hp jetdirect 310x external print server that supports Windows 95/98/2000/Me/XP/NT, Apple Macintosh versions 8.6 and later, Novell NetWare and NDS, IBM OS/2, and UNIX protocols

### environmental ranges

operating temperature: 59 to 90.5° F (15 to 32.5° C)  
storage temperature: -4 to 104° F (-20 to 40° C)  
operating humidity: 10 to 80% RH  
storage humidity: 0 to 95% RH

### acoustics

operating position: 58 dB(A)  
bystander position: 50 dB(A)  
sound power: 6.4 B(A)

### power requirements

Source: 100 to 240 VAC (±10%), Frequency: 50/60 Hz (±3 Hz)

### power consumption

printing: 330 watts maximum  
standby (ready state): 1.4 watts  
Energy Star® compliant  
powersave mode: 1.4 watts  
off mode: 0 watts

### warranty

one-year limited warranty duration and includes one year of phone support. In U.S. and Canada, the one-year warranty includes Express Exchange service. Worldwide return to HP bench repair or HP authorized service is also available

### duty cycle

10,000 pages per month

### weight

31 lb (14.1 kg); 3330: 34/6 lb (15.8 kg)
