

LaserJet Enterprise 600 M602 series

M602n • M602dn • M602x

Share this printer with workgroups to cut costs and boost productivity. Tackle everyday printing needs, influence print habits, and control printer access with customized printing policies and secure pull printing.

Keep your workflow moving with fast output and precision paper handling

- Print at rapid speeds on a variety of paper types
- Manage workflow with intuitive features right on the printer, and get quick prints from a flash drive
- Produce high print volumes with low maintenance
- Replace toner cartridges easily, and enjoy quiet, clean performance

Take the lead in meeting companywide conservation goals, with energy-saving features from HP

- Cut energy use as much as 45%, compared to a majority of competing laser printers,⁷ with this Energy Star qualified printer
- Get centralized access to custom energy-saving options and printer settings with the HP EcoSMART Console²
- Trim paper use by up to 50% with automatic two-sided printing¹
- Pre-installed Original HP toner cartridges reduce waste. Recycle them for free through HP Planet Partners³

Lead your business to a more responsible approach to printing and handling sensitive data

- Take control of printing practices and enforce security policies, using HP Access Control⁴
- Control costs, manage IT resources, and reduce environmental impact

- Expand your network without compromising security
- Effectively manage compliance and security issues across your business

Extend your print capabilities to keep pace with your growing business

- Easily update, manage, and expand the capabilities of networked printers, and do more with your investment
- Make printing as mobile as you are with HP ePrint⁵
- Extend your investment by adding functionality using the hardware integration pocket⁶

Top features

The HP LaserJet Enterprise 600 M602 Printer series is HP's ultimate high-use workgroup printer, delivering advances in productivity, manageability, and security. The printer's top features are highlighted below. For a more in-depth look at these features and their benefits, see the pages that follow.

Heavy-duty reliability and breakthrough speeds

Boost productivity with print speeds up to 52 ppm.^{1,2} Produce documents on a variety of media, including letterhead, envelopes, labels, cardstock, and transparencies.

Monitor jobs and settings, using the 4-line color control panel. A 10-key pad lets users enter a personal identification number (PIN) to retrieve documents, adding security.² Use the front facing, walk-up USB port to print from flash drives.

Up to two 500-sheet paper trays and automatic two-sided printing means less paper lying around and fewer trips to reload.² Plus, a 100-sheet multipurpose tray adds versatility. Increase capacity to up to 3,600 sheets with optional media accessories.

One-door access makes it easy to replace Original HP LaserJet all-in-one toner cartridges. The updated design delivers clean, quiet performance for distraction-free printing.

Outstanding energy and paper savings

Cut energy use as much as 45%, compared to a majority of competing laser printers.^{1,2} Reduce energy use even more with HP Auto-On/Auto-Off Technology, which turns the printer on or off in response to changes in network activity.

Shrink your carbon footprint—track usage data in real time and apply custom energy-saving options, using the HP EcoSMART Console.³ An embedded web server helps you control device settings to cut costs, reduce impact, and set policies on all managed printers.

Automatic two-sided printing saves up to 50% on paper and helps reduce office clutter.² Pre-installed Original HP LaserJet toner cartridges help you get up and running right away, with less packaging waste. Recycling is easy and free through HP Planet Partners.⁴

Secure printing with minimal intervention

With HP Access Control,⁵ you can apply custom rules to printing and imaging devices, and create a more secure printing environment. Track resource use, prevent waste from unclaimed documents, and offer multiple authentication options.

Command your printing environment and slash costs, with HP Web Jetadmin. Use the HP Universal Print Driver to easily update the entire managed printing environment. And add HP EcoSMART Fleet to make and manage environmental goals.⁶

Enhance security on multiple networked devices. Protect sensitive data by requiring a PIN for retrieval. The IPv6 protocol lets you easily expand your network of IP addresses, while IPSec security provides fast authentication and encryption for sensitive data.

Define and manage security policies across your business, monitor printer compliance, and update all managed printers when policies change, using the HP Imaging and Printing Security Center.

Extensibility to meet your needs

Update, manage, and extend printer capabilities, using HP FutureSmart Firmware. Innovative extensibility simplifies the process of deploying customized HP and third-party workflow and document management solutions.

Print where business takes you. HP ePrint⁷ offers solutions for printing within your secure company network⁸ or printing to public locations like airports and hotels.⁹

Enhance functionality with a range of HP and key partner solutions. Use the hardware integration pocket to house and integrate new solutions.^{2, 10}

Get the most out of your printer with HP accessories, supplies, and services.

500-sheet Paper Tray

Keep your workflow moving with fast output and precision paper handling. High-capacity paper trays, plus options to add more, give capacity of up to 3,600 sheets

¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
²First page out time is measured from Tray 2. Exact speed varies depending on the system configuration, software application, driver and document complexity. ³Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ⁴HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
⁵Measured according to ISO 7779 and declared in accordance with ISO 9296; values are subject to change. For current information, see hp.com/support. Configuration tested: HP LaserJet Enterprise 600 M602dn printing duplex mono on A4 paper. ⁶Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages; this will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on customer network switch capability, user configuration and network activity. Off-mode power may vary while checking network packets for print jobs.
