HP LaserJet M1319f MFP

Enhance office efficiency using HP's lowest-priced laser MFP with innovative faxing capabilities.

Quality at an affordable price

Tackle all of your print, copy, fax, and scan jobs with one low-priced, easy-to-use device. The HP LaserJet M1319f MFP provides four-in-one functionality to help you save space and increase efficiency.

Expect value—our products and supplies are backed by our traditional reliability, service, and support. Original HP cartridges have a track record of proven dependability, ensuring you'll get the consistent, high-quality output you require.

Boosts productivity

Start and finish jobs in less time with the device's Instant-on Technology. The Time To Completion of a typical office print job can be more than two times faster with Instant-on Technology.[1] Instant-on Copy with LED-based technology delivers your first copy in seconds.

See better performance and lower costs with the device's host-based printing, which uses the processing power and memory of the host computer rather than that of the MFP. As a result, you won't have to purchase costly additional memory to complete your complex jobs.

Easy to use

Enjoy intuitive device operation. Control panel buttons and menus are designed for effortless navigation and the 16-character, backlit display is easy to read.

When there are fewer supplies to replace, there's less hassle for you. All-in-one Original HP print cartridges are designed with all components—toner, drum, and waste bottle—in a single unit, so cartridge replacement is simple.[2]
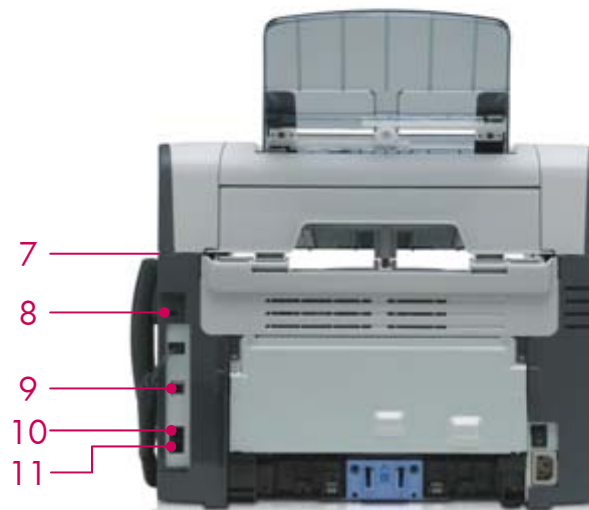

Load your documents and walk away. The automatic document feeder (ADF) will take care of the rest, providing unattended scanning and copying. Plus, collated copy automatically sorts your copies for you, so you save valuable time.

---

[1] Instant-on Technology uses cutting-edge fuser technology to produce the first page faster, so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.
[2] This MFP includes an introductory print cartridge. Average cartridge yield 1,000 standard pages. Replacement print cartridge yields approximately 2,000 pages (average cartridge yield 2,000 standard pages. Declared yield values for replacement cartridge in accordance with ISO/IEC 19752). Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.

HP LaserJet M1319f MFP

1 30-sheet ADF scanner quickly processes documents

2 Easy-to-use control panel with 10-key number pad and 2-line by 16-character display provides effortless interaction with each of the MFP's functions

3 100-sheet face-down output bin

4 Built-in handset allows the MFP to function as a phone

5 10-sheet priority slot

6 Adjustable 250-sheet input tray

7 32 MB device memory and a 240 MHz processor quickly and easily handle complex jobs

8 Security-lock slot for securing the MFP with a Kensington lock (available for purchase via a third-party vendor)

9 Hi-Speed USB 2.0 port

10 RJ-11 line-out telephone port

11 RJ-11 fax port

Front view

Rear view

Multitasking is easy with this versatile, space-saving MFP.

Increased functionality

Use your MFP as a phone with the built-in handset. FaxTel allows the device to monitor incoming calls, determine if a call is voice or fax, and ring to notify you of voice calls. To answer voice calls, simply pick up the device's convenient handset.

Enjoy innovative fax solutions. Quickly send and receive faxes at speeds of up to 33.6 kbps. Save frequently used numbers and employ them at the touch of a button with fax speed dial. Never lose faxes again, even when there's no paper or toner—the device securely stores up to 500 received pages. Private receive allows you to print the stored faxes when you're ready for them. Plus, reduce paper waste and time handling unwanted faxes with the junk-fax blocker (requires caller ID).[3]

Compatibility

You don't have to worry about Microsoft® Windows Vista® compatibility. The HP LaserJet M1319f MFP is Vista-certified, meaning it will work seamlessly with computers running the new operating system.

Compact size

Fit this MFP into cramped spaces and use it where you need it. With the device in close proximity, you'll increase your productivity.

Get the most out of your MFP with HP accessories, supplies, and services.

Q6264A

When you purchase an HP USB cable, connecting your computer to your printer is as easy as plugging in a lamp.

Q2612A

HP's all-in-one print cartridges and toner are specifically designed with the MFP to deliver consistent quality and reliable, trouble-free printing.

Choose from a selection of HP papers to create impressive, professional documents.

HP Imaging and Printing Services provide convenient and configurable solutions that help you get the most value out of your MFP. Investing in long-term value can improve productivity and reduce costs. Choose the level of support that best fits your business needs.

HP LaserJet M1319f MFP

Technical specifications	HP LaserJet M1319f MFP (CB536A)
Print and copy speed[5]	Up to 19 ppm, letter
First page out	Printing: less than 8.5 seconds, letter; copying: as fast as 12.6 seconds, letter
	Time To Completion for a typical office print job: as fast as 18.5 seconds, letter[6]
Resolution	Up to 1200 by 1200 dpi; REt, HP FastRes 1200
Copying	Resolution: up to 600 by 600 dpi, 24 bit depth; settings: contrast (lighter/darker), resolution copy quality, reduce/enlarge
	25 to 400 percent, copy collation, number of copies, paper size
Faxing	V34 fax modem: 3 seconds per page, fax speed: up to 33.6 kbps; resolution best mode: 300 by 300 dpi; digital storage for up to 500 pages, fax forwarding, delayed sending, ring detection, fax polling, broadcasting to up to 119 locations, speed-dial to up to 120 numbers, auto fax reduction, junk barrier, PC interface, auto redialing supported; integrated handset
Scanning	Resolution: up to 600 by 600 dpi, 24 bit (up to 19,200 dpi enhanced); interfaces: walk-up scanning via front control panel with Copy or Fax buttons, remote scanning via Scan To software, HP Director (Macintosh), and TWAIN- or WIA-compliant software; supported file types: JPEG, TIF, BMP, GIF, PDF, PNG
Processor	240 MHz
Memory	32 MB
Durability ratings	Recommended monthly volume: 500 to 2,000 pages[7]; Duty cycle: 8,000 pages[8]
Paper	
Input	30-sheet automatic document feeder (ADF), 10-sheet priority slot, 250-sheet input tray
Output	100-sheet face-down output bin
Two-sided printing	Manual
Sizes	Priority slot, 250-sheet input tray: 3 by 5 in to 8.5 by 14 in; letter, legal, executive, envelopes (No.10, Monarch)
	ADF: 5.83 by 4.13 in to 8.5 by 14 in; letter, legal
Weights	Priority slot, 250-sheet input tray: 16 to 43 lb; ADF: 16 to 28 lb
Types	Paper (plain, preprinted, prepunched, bond, color, letterhead, light, heavy, recycled, rough), envelopes, transparencies, labels, cardstock
Connectivity	
Interfaces	Hi-Speed USB 2.0 port, RJ-11 fax port, RJ-11 line-out telephone port
Languages	Host-based printing
Client operating systems	Windows® 2000, Windows XP® Home, Windows Server 2003, Certified for Windows Vista; Mac OS X v10.3.9, v10.4, and higher
Security	Security-lock slot for securing the MFP with a cable lock (available for purchase via a third-party vendor)
Dimensions (w by d by h)	18.4 by 17.3 by 18.1 in
Weight (includes print cartridge)	22 lb
What's in the box	HP LaserJet M1319f MFP, power cord(s), introductory HP LaserJet black print cartridge,[9] Getting Started Guide, support flyer, software and documentation CDs, control panel overlay, Readiris PRO text recognition software, 250-sheet input tray, output bin support
Warranty	One-year limited warranty

Environmental ranges

Recommended temperature	59 to 90.5 degrees F (15 to 32.5 degrees C)
Storage temperature	-4 to 104 degrees F (-20 to 40 degrees C)
Recommended relative humidity	10 to 80 percent
Storage relative humidity	0 to 95 percent
Altitude	10,000 ft (3,040 m)

Acoustics[10]

Sound power	Active: 6.4 B(A) printing, 7.4 B(A) copying; Ready: 3.1 B(A)
Bystander sound pressure	Active: 50 dB(A); Ready: 16 dB(A)

Power specifications

Required input voltage	110 to 127 V (±10 percent), 60 Hz (±2 Hz) 220 to 240 V (±10 percent), 50 Hz (±2 Hz)
Power consumption	Active: 365 watts Sleep: 8 watts Ready: 8 watts Off: 0.1 watts
Typical Electricity Consumption (TEC): 1.662 KWh/Week
