

HP LaserJet Pro M1530 Multifunction Printer series

Ideal for business users with small and medium offices who need to print two-sided documents, and scan, copy and fax from a cost-effective, networked MFP that can also receive print jobs from mobile devices[1].

Do more with a fast, networked MFP and two-sided printing.

- Stay productive: print at up to 25 ppm A4 and get a first page out in as fast as 8.5 seconds with Instant-on Technology[2].
- Share printing resources on a network with built-in 10/100 Ethernet connectivity.
- Use the 35-page automatic document feeder to print two-sided pages, or to copy and fax multiple-page documents.
- Save paper and time: fax documents directly to and from a PC and desktop applications, and control access to the faxing features with assigned PINs.

Create a variety of high-quality business documents in multiple sizes.

- Print professional documents with bold text and sharp images, using Original HP LaserJet print cartridges for consistently excellent quality every time you print.
- Achieve improved print quality with HP FastRes 1200: bring your documents to life with fine details, solid fills and smooth transitions.
- Add variety to your documents: the 10-sheet priority tray and 250-sheet paper tray enable you to use a variety of media sizes and types.

Print from anywhere[1] and use intuitive features

- HP ePrint[1] enables you to print when and where you like, using a mobile phone, notebook PC or other mobile device.
- Simplify printing tasks with an intuitive and easy to navigate control panel and LCD. Use ID Copy to create a one-sided copy of a two-sided ID.
- Easily find and purchase cartridge replacements with HP SureSupply[3] and install them without hassle.
- Use embedded HP tools for easy MFP configuration, operation and maintenance.

- Reduce energy by up to 50% with Instant-on Technology[1].
- Save up to four times the energy with Instant-on Copy[2]. • Reduce clutter and waste - scan, store and share documents digitally.
