HP LaserJet Pro MFP M28 Series
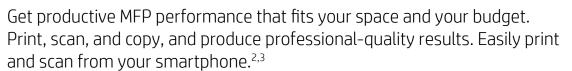

The perfect fit for virtually any space and budget – the world's smallest laser in its class.[1]

Get productive MFP performance that fits your space and your budget. Print, scan, and copy, and produce professional-quality results. Easily print and scan from your smartphone.[2,3]

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at hp.com/go/learnaboutsupplies

HP LaserJet Pro MFP M28a

HP LaserJet Pro MFP M28w

Productivity that fits anywhere
- Easily handle tasks and get a lot from one device – print, scan, and copy.
- Maximize your uptime with print speeds up to 18/19 ppm.[4]
- Easily scan files directly to PDF and email with preloaded business apps.[5]
- Easily copy both sides of identification cards onto one side of paper.

Uncompromising quality
- This surprisingly small laser delivers exceptional quality, page after page.
- Help save energy with HP Auto-On/Auto-Off Technology.[6]
- Speed through print jobs, using pre-installed Original HP Toner cartridges.

Easy mobile printing and scanning with HP Smart app[2]
- Print from the cloud, scan from your smartphone, and easily order toner, with the HP Smart app.[3]
- Easily print from a variety of smartphones and tablets.[7]
- Easily share resources – access and print with wireless networking.[8]
- Connect your smartphone directly to your printer – and easily print without accessing a network.[9]

[1] World's smallest in-class footprint compared only to dimensions of majority of worldwide personal laser printers (defined as monochrome laser printers < $100 USD and monochrome laser MFPs < $150 USD); HP internal research of printer manufacturers' published specifications as of October 9, 2017 and Keypoint Intelligence-Buyers Lab 2017 study commissioned by HP. Market share as reported by IDC CYQ2 2017 Hardcopy Peripherals Tracker. Measured footprint for HP LaserJet Pro M15 printer series is 100.64 square inches and for HP LaserJet Pro MFP M28 series is 148.2 square inches. For details, see keypointintelligence.com/products/samples/new-hp-laserjet-series
[2] Available only on the HP LaserJet Pro MFP M28w only.
[3] Requires the HP Smart app download. Features controlled may vary by mobile device operating system. Full list of supported operating systems and details at support.hp.com/us-en/document/c03561640. For details on local printing requirements see hp.com/go/mobileprinting
[4] Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
[5] Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com
[6] HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.
[7] For details on local printing requirements see hp.com/go/mobileprinting
[8] Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®.
[9] Mobile device needs to be connected to Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Details at hp.com/go/mobileprinting. Wi-Fi Direct® is a registered trademark of Wi-Fi Alliance®.

Product walkaround

HP LaserJet Pro MFP M28w shown

Elegant, streamlined design, compact size

Intuitive control panel with icon LCD

100-sheet output bin

Pre-installed Original HP Toner cartridge

150-sheet input tray (shown closed)

Flatbed scanner handles up to 21.6 x 29.7 cm paper

Wireless networking (802.11b/g/n)[3]

Wi-Fi Direct® printing[4]

Easy mobile printing with the HP Smart App[1]

Hi-Speed USB 2.0 port

Series at a glance

[6] Apple AirPrint is supported on the HP LaserJet Pro MFP M28w only. Mobile device must have iOS v7.0 or higher. Learn more at hp.com/go/mobileprinting.
[7] Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. For details, see hpconnected.com.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

Standard Care (high level of uptime): Next Business Day Exchange Service Installation with Network Configuration Service

Basic Care (minimum recommended support): Standard Exchange Service

Standard Exchange Service: Send your faulty equipment back to HP and receive a replacement within 4 - 7 days

Next Business Day Exchange Service: Receive a replacement unit within the next business day after HP receives the faulty unit

Installation with Network Configuration Service: Assembly, network configuration, and basic administrator familiarization

[1] Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
[2] Measured using ISO/IEC 17629. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
[3] HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
[4] First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
[5] Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Colour LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
[6] HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
[7] Not supporting Windows® XP (64-bit) and Windows Vista® (64-bit). Not all "Compatible Operating Systems" are supported with INBOX software; Full solution software available only for Windows 7 and newer; For Windows Server 2008 R2 64-bit, 2012 64-bit, 2012 R2 64-bit, 2016 64-bit only print driver is installed. Windows RT OS for Tablets (32 & 64-bit) uses a simplified HP print driver built into the RT OS; Linux systems use in-OS HPLIP software.
[8] Apple AirPrint –Mobile device must have AirPrint®. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting. Google Cloud Print™ 2.0- Requires Google Cloud Print™ registration and Google account. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.
[9] HP Original Introductory Black LaserJet Toner Cartridge (~500 page yield). Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies
[10] Based on the BA TEC method with the following possible exceptions: 1 minute or less sleep delay setting, Wi-Fi disabled
