CS736dn

The Lexmark CS736dn gives you total confidence in color printing, delivering excellent color quality, fast print speeds and business-class reliability to keep up with all your high volume needs. Designed for medium and large wokrgroups in busy office environments, these printers fit easily on your desktop or in a small workstation and offer a wealth of big-business benefits, including tremendous input capacity, paper-saiving duplex printing and much more.

Efficient, high-speed color printing for medium and large workgroups

Lexmark CS736dn

· Prints up to 35 ppm in black and color
· Produce stunning graphics and images with Lexmark's advanced color laser toner formula
· Achieve consistent color tones with professional Pantone™ calibration
· Promote resposible color-printing practices with range of cost-control too
· The Specialty Media Drawer offers added versatility to load large stacks of diverse paper types
· Robust design, engineered especially for high-volume printing
· New, enhanced security features for controlling access, tracking activity and preventing misuse
· Duplex-printing models can save paper
· Instant warm-up fuser and Eco-Mode reduce power consumption
