MS818dn

Up to 60 ppm   **Network**   **Finishing function**   Unison TONER

Security   **Mobility**   **6 cm display**

Our fastest mono printer has the capacity to support large teams

The top-of-the-line MS818dn mono printer has plenty of speed, input capacity and output volume to support a large workgroup. Boasting print speeds up to 60 pages per minute, built-in 2-sided printing, input capacity expandable to 4,400 sheets, an optional Extra High Yield cartridge that produces up to 45,000 pages, and recommended print volume of up to 75,000 pages per month, the MS818dn can easily keep pace with your schedule.

4.4 seconds from click to start

The MS818dn improves your print speeds by taking advantage of its 512MB of memory (upgradable to 2.5GB), dual-core processor and Gigabit networking. It can produce your first page in as little as 4.4 seconds.

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorised access.

Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customised, unique PIN on the device's keypad before the document can be printed.

Print from mobile devices using an optional Wi-Fi adapter or Lexmark's free Mobile Print app.

Makes document production easy

Produce presentation-ready documents with optional finishing features, such as stapling and hole punching.

The bright 6 cm color display lets you easily configure even complicated jobs.

4 YEARS Guarantee

4-year Guarantee

Given the choice, wouldn't you prefer to buy a device that protects your investment with a guarantee? The affordable Lexmark MS818dn is so well made, we back it with a guarantee that covers repair actions including the cost of spare parts if they are needed in the first four years*. The guarantee also offers you free 24-hour online support and access to technical support by phone during working hours.

*Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee

Extra High Yield cartridges produce up to 45,000 pages

Available Extra High Yield cartridges produce up to 45,000 pages and never require shaking, which minimises interruptions and reduces cost per page. The Lexmark print system and Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MS818dn is simple to install, easy to use and offers full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 75,000 pages per month, thanks to our state-of-the-art paper handling technology and long-life consumables.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print options.

A front USB port lets you print PDF and other image files directly from a flash drive and store scanned documents.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first printed page as fast as 4.4 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimise noise and energy consumption.
Through the Lexmark Cartridge Collection Program, Lexmark offers a free and easy way to return your empty cartridges for sustainable recycling or remanufacturing.
