

Lexmark Mono E310 printer series  
E310

**E310: 12A2100**

This product has been discontinued.

Lexmark designed the Optra E310 laser printer as an economical business-class laser printer for small workgroup or small office applications. Reliable, speedy and quality solution delivers professional results that will never let you down. The Optra E310 has an 8 ppm print engine that prints at 600 dpi interpolated resolution. This sturdy printer is rated for up to 10,000 copies per month, with a 5,000-page yield toner cartridge for heavy use.

Print on paper, labels, transparencies envelopes and card stock from very small up to legal size. The input paper feeder holds up to 150 sheets. This monochrome laser printer supports external print server options for Ethernet and Token Ring network printing with optional Marknet Pro external network adapters. MarkVision printer management software provides printer control across a broad range of environments.
